How could a NYS Constitutional Convention affect your family and you?

November 7, 2017 Constitutional Convention Ballot Question:

"Shall there be a convention to revise the constitution and amend same?"

A "yes" vote for the Constitutional Convention means you could LOSE:

- ◆ your pension
- ◆ your job
- ◆ retirement securities
- ◆ state debt limits
- ◆ social welfare needs
- ◆ workers' compensation
- ◆ visiting state parks
- ◆ the right to collectively bargain
- ◆ the right to have a union
- ◆ the right to a free public education
- ◆ state budget spending caps
- ◆ environmental protections
- ◆ public schools, libraries, colleges and universities

Even if you oppose one or two of the above is it worth risking all the other rights?

Think about it...

How different would your life look like if there was no:

- ◆ pension for you to retire with?
- ◆ public schools, libraries, colleges and universities for you to work at or for your children or grandchildren to attend?
- ◆ right to have a contract and have it enforced by a union?
- ◆ benefits if you are injured or lose your job?
- ◆ Adirondacks or Catskills to hunt, fish or hike?
- ◆ protections against polluting our drinking water?
- ◆ spending limits for the government?

What can you do to make sure the constitutional convention is voted down?

- ◆ Talk to friends, family, neighbors and your community about why it should be voted down and why they should spread the word!- '
- ◆ On November 7, 2017 vote "NO" on the NYS Constitutional Convention.
